INVENTORY MANAGEMENT

# PESONA IMS

## Inventory Management Software

Get in control of your inventory with PESONA IMS – the complete inventory tracking system. This ready-to-install system allows you to accurately track inventory efficiently, without the complexity or expense of an enterprise solution.

### Benefits:

- Improve business profitability and purchasing efficiency
- Maintain accurate inventory counts for fewer write-offs
- Ensure that the right items are in stock to meet demands
- Avoid cumbersome manual work and simplify processes
- Maintain comprehensive visibility of inventory details

### Track

inventories by category, model, location, etc

### Manage

inventories through detailed transaction history

### Access

information instantly, filter accurately & get reports

### View

critical count levels such as total available & balance

### Barcode

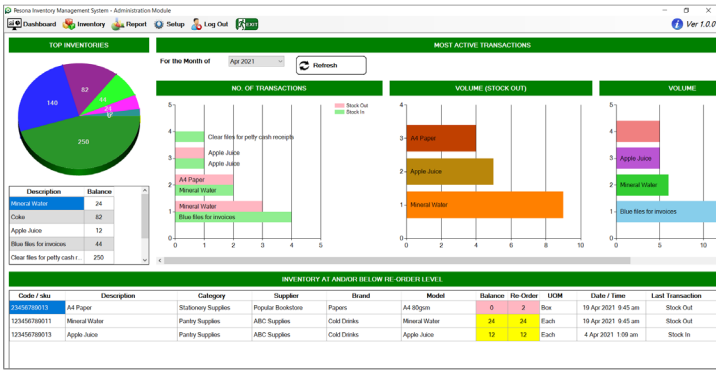

inventories with integrated label printing function

### Mobile Computer

module allows you to manage inventories on-the-go

# PACKAGED HARDWARE

### Polaroid P422T Label Printer (Basic & Pro Edition)

Designed and built to deliver high quality performance at a competitive price point, the Polaroid P422T will print high quality labels all day long, producing thousands of clear, crisp barcode and identification labels per day.

### All ID EC323A Barcode Scanner (Basic & Pro Edition)

All ID EC323A is a 2D barcode scanner with the ability to even read on electronic screens, with its highly sensitive image sensor. Its rugged IP54 rated build quality allows for all day reliability in most conditions and applications, from mobile couponing to logistics management.

### iData 50P Mobile Computer (Pro Edition Only)

iData 50P provides professional and outstanding automatic data identification and collection, such as 1D/2D barcode, NFC, GPS and camera to help users collect field data accurately and rapidly. iData 50P enables users to work in an efficient and easy manner anytime and anywhere.
